The Municipality of Hastings Highlands would like to formally welcome a new Commercial Enterprise to the community. AeroPonLeaf has purchased the property in Hastings Highlands at the "Y road location and has plans to build a multi-use facility for Cannabis production. The economic boost to the area will have far reaching benefits to the people of this community. We anticipate not only added revenue to associated industries in the area but also employment for the people who live here. This is the start of a more intensive development planned for the area and we welcome more businesses to our thriving community.

On behalf of the Council for the Municipality of Hastings Highlands, I would like to thank you for initiating a Public Meeting here at the Emond Hall in the Hastings Highlands Centre on Thursday, February 28<sup>th</sup> from 5:00 to 7:00 p.m. to announce your proposal for the cannabis cultivation at 79Y Road property in Bird's Creek.

Sincerely,

A handwritten signature in black ink that reads "Vic A. Bodnar". The signature is written in a cursive style with a large initial "V".
