

To Do List

Hastings Highlands 2026 Roadside Cleanup

- 1 Stop by the Municipal Office to pick-up the garbage bags and vinyl gloves you'll need for the cleanup.
- 2 Decide on a location for cleanup with your cleanup team participants.
- 3 Gather your own protective equipment, such as a litter grabber, and sturdy footwear for the cleanup. It is also a great idea to have hand sanitizer available.
- 4 Don't forget to correctly separate recyclable materials from garbage using the bags provided.
- 5 Have fun! Take photos of your progress and your cleanup team consider taking a before and after photo of your site to show the progress. Post photos publicly to social media using the hashtags #actONlitter and #HHCleanup2025 for the Municipality to see and consider sharing!
- 6 All Done? You can leave the garbage you collected in a bag placed safely on the side of the road for the Municipality to pick-up. Give us a call to let us know where we can pick it up (613)-338-2811 x202.

Don't forget to go online to report the litter you cleaned-up on the Ministry of Environment, Conservation and Parks website at: <https://www.ontario.ca/form/litter-cleanup-reporting-form>

That by reporting the type of litter you pick-up on the Ministry's site you are helping to inform future government decisions?
