

**Provincially Legislated Annual Report on Building Permit Fees – 2022**

As per Section 7 (4) of the Ontario Building Code Act (OBCA) Report of Fees - It is required that a municipality publish an Annual Report on fees every twelve (12) months.

The purpose of this report is to illustrate that building permit fees collected in Hastings Highlands do not exceed the expenditures to administer and enforce the Ontario Building Code (Section 7 (2) of the OBCA).

Furthermore, as per Section 7 (2) Fees - If the building permit fees collected in a twelve (12) month fiscal year exceed the expenditures to administer and enforce the Ontario Building Code, then the Municipality shall create/maintain a reserve balance. The reserve would be available to manage risks involved in a construction downturn or to fund one-time departmental capital requirements.

It should be noted that, to date, the Municipality of Hastings Highlands has not created a reserve as permits fees collected have not exceeded the expenditures to administer and enforce the Ontario Building Code.
