DATE: Feb. 19, 2025	REV. DATE:	COVERAGE: Officers, Employees, Volunteers Contractors, Agents, Council, Committees, Local Boards and Public	PAGE #: 1- 14

1. Purpose

- 1.1 The *Municipal Freedom of Information and Protection of Privacy Act* (MFIPPA) establishes a public right of access to records in the custody and control of the Municipality, subject to limited and specific exemptions. This policy outlines a process to routinely disclose and actively disseminate select municipal records, promoting accountability, transparency, and public accessibility.

2. Scope

- 2.1 This policy applies to all records in the custody or control of the Municipality. This policy does not apply to records which are exempt under the *Municipal Freedom of Information and Protection of Privacy Act*.
- 2.2 The Clerk or designate shall be responsible for interpreting and administering this policy in a manner that is consistent with the Municipality’s obligations under MFIPPA and related Municipal records management policies.

3. Definitions

- 3.1 In this policy, the following words have the following meanings:

“**Active Dissemination**” means the periodic release or publication of municipal records and Information in the absence of an FOI request.

“**Municipality**” means the Corporation of the Municipality of Hastings Highlands.

“**Confidential Information**” means any Information that is subject to the exemptions to

disclosure found within the *Municipal Freedom of Information and Protection of Privacy Act* and/or that, if disclosed, could result in loss or damage to the Municipality or could give the persons to whom it is disclosed an advantage. This includes information received in confidence by the Municipality.

“Control” means the Municipality’s power or authority to make a decision about the use or disclosure of its records.

“Member of Council” means a Member of the Council of the Municipality of Hastings Highlands, including the Mayor.

“Custody” means the storage, preservation, or security of a record for a legitimate business purpose, wherein the Municipality could obtain a copy of the record upon request. While physical possession of a record may not always constitute custody, it is the best evidence of custody.

“Municipal Clerk” means the individual or designate authorized to act on behalf of the Municipality for the overall governance of the records and information of the Municipality.

“Employee” means all full-time workers, part-time workers, temporary workers, seasonal workers, or students, volunteers and staff hired on a contract basis for a defined period of time by the Municipality.

“FOI Request” means a formal “Freedom of Information” request as received under the *Municipal Freedom of Information and Protection of Privacy Act*, as amended. An FOI refers to a request for access to, or copies of, a record which is submitted in writing detailing the requested records, is dated and signed by the requester. The mandatory fee as prescribed by legislation must accompany the request.

“Law Enforcement Agency” means a representative from an agency responsible for enforcing provisions of a law or regulation, including, but not limited to Ontario Provincial Police, Royal Canadian Mounted Police, Canada Revenue Agency, and Canada Border Services Agency.

“MFIPPA” means the *Municipal Freedom of Information and Protection of Privacy Act*.

“Official Record” means a record that provides evidence of a business transaction, ongoing business value, required to support business operations or required by legislation. These records must be retained and managed in accordance with government policies, standards and the Municipality’s Records Retention Policy.

“Personal Information” means "Recorded information about an identifiable individual", as defined in MFIPPA, as amended.

“Record” means any record of information however recorded, whether in printed form, on film, by electronic means or otherwise as defined in MFIPPA, as amended, and includes:

- Correspondence, a memorandum, a book, a plan, a map, a drawing, a diagram, a pictorial or graphic work, a photograph, a film, a microfilm, a sound recording, a videotape, a machine-readable record, any other documentary material, regardless of physical form or

- characteristics, and any copy thereof; and
- Subject to the regulations, any record that is capable of being produced from a machine-readable record under the control of an institution by means of computer hardware and software or any other information storage equipment and technical expertise normally used by the institution.

“Records Retention Policy” means a policy approved by the Municipality to standardize the classification of records of the Corporation of the Municipality of Hastings Highlands, and to authorize their disposition following specified retention periods.

“Responsible Department” refers to the department or service area that holds custody and control of the original record(s) for the length of time required under the Municipality’s Records Retention Policy.

“Routine Disclosure” means an informal written request for access to a record or information, other than an FOI request under the *Municipal Freedom of Information and Protection of Privacy Act*.

4. Existence of Records

- 4.1 The Municipality is not required to re-create or restore records that have been properly destroyed under the authority of the Record Retention Policy.
- 4.2 The Municipality is not required to provide information discussed but not recorded. In response to a Routine Disclosure and/or an FOI request, the Municipality is not required to create records which do not otherwise exist.
- 4.3 Records routinely disclosed and/or actively disseminated are subject to the requirements of the *Accessibility for Ontarians with Disabilities Act (AODA)* and its regulations and will be provided in accessible formats in accordance with the requirements set out in the AODA and the Municipality’s Accessibility Policy, as amended.

5. Accountability and Responsibilities

- 5.1 Routine Disclosure and/or Active Dissemination will be consistent with existing municipal practices to ensure certain municipal information is available to the public. Routine Disclosure Requests are to be handled by the Responsible Department.
- 5.2 If there is uncertainty regarding Routine Disclosure and/or Active Dissemination, the Responsible Department shall consult with the Municipal Clerk, or Deputy Clerk if the Clerk is not available.
- 5.3 Members of Council requesting access to records through Routine Disclosure will be provided the same right of access as the public. If the requested records are not available for Routine Disclosure or Active Dissemination, the Council Member may submit an FOI request, and the Municipal Clerk or Deputy Clerk will apply MFIPPA in the normal manner to determine whether access may be granted.

6. Policy Guidelines

The payment of a deposit equal to 50% of the estimated cost may be required before proceeding. If the actual fee is less than the deposit, the balance will be refunded. - significant volumes of records;
