

Pre-consultation is **not pre-approval** of an application. The Municipality of Hastings Highlands will respond to this Inquiry Form after a review. The review is intended to help the applicant prior to submitting a formal application with the Planning Department. If a formal application is submitted, other policies or bylaws may also be identified at that time, including those by an agency or the public. The Planning Department will review the Inquiry Form for compliance with the Municipality's Comprehensive Zoning Bylaw and other applicable policies and legislation. We aim to advise you within ten (10) business days of your next steps. A response will be delayed if this form is not fully completed.

Note: All measurements shall be in metric and imperial units.
